Mrs. L. Richert Clerk of Year

Winners of the Clerk of the Month Awards during the past seven months were feted at a dinner in the Cadium Room on Monday, January 26th.

Highlight of the evening was the announcement of the Clerk of the Year Award, won by Mrs. Lillian Richert, an employee of Block's Store. Mrs. Richert was presented with a cheque for \$25.00 by Mr. Ken Retallack, for the Retail Merchants Association.

Mrs. Richert was selected from the seven candidates by a panel of judges whose identity was not revealed. She won the Clerk of the Month Award in November.

Winning clerks each month received an engraved plaque for their achievement. The contest was sponsored by the Drayton Valley Retail Merchants Association.

Hon. Robert Clark

Committee to Meet Minister

A meeting was to be held today (February 4th) with Education Minister Hon. Robert Clark in Edmonton on the subject of high school facilities in Drayton Valley.

Mr. Clark visited Drayton Valley in December and studied the school situation at first hand. At that time it was suggested that the County School Committee and town authorities gather further facts on school requirements for presentation at today's meeting.

Town and County representatives planned to attend the meeting.

tion which plans to resume the contest in the summer.

Present for the supper, chaired by Mr. Jack Pickett, were the award-winning clerks and their husbands and their employers and wives.

Winners of the monthly contests which started in June were Mrs. Esther Davidson, Valley Drug; Mrs. Yvonne Yurchak, The Western Review; Mrs. Dee Goubault, Royal Bank; Mrs. Rena Brown, Drayton Valley Hotel Cafe; Mrs. Mildred Krauter, Pembina Drug; Mrs. Lillian Richert, Block's Store; and Mrs. Corinne Dix, Lloyd's Jewellery.

Small Gain In Population

Completion of the Drayton Valley census recently reveals a population of 3,470, an increase of only 35 over last year's 3,435. Secretary-Treasurer Bill Johanson noted however, that the figure was tentative and the final count should be closer to 3,500. The previous year's increase was 109 persons.

CHAMBER PLANS ANNUAL MEETING

Annual meeting of the Drayton Valley and District Chamber of Commerce will be held at Dave's Cafe at noon on Thursday February 5th. Election of officers for the ensuing year will take place.

Members are reminded of the importance of the annual meeting in setting the pattern for the following year and a full turnout is requested.

Long-Range Park Plans Revealed

A letter to Town Council from the Drayton Valley Lions Club reveals extensive long-range plans for the Lions West Valley Park.

The club noted that future plans included further improvements to the rodeo grounds and picnic-camping area. It is also hoped that it may be possible to dam the creek that flows through the park and create a kid's fishing pond at a future date.

More land, however, is required by the club to undertake

the projects envisioned. Town Council showed considerable interest in the suggestions put forward by the club and recommended that its long-range plans be considered in the land assembly study to be undertaken by the town's Planning and Development Board.

It was noted at the last Council meeting, when the letter was introduced, that the first available Provincial Government grant for such purpose, would not be until 1971.

Council Discusses R.C.M.P. Services

The subject of policing the town by the R.C.M.P. was again discussed at the regular meeting of the Drayton Valley Town Council on Thursday, January 22nd.

A letter was read from the Attorney General's Department acknowledging the town's request and suggesting an application to the Commanding Officer of "K" Division in Edmonton. When a community enters an agreement with the R.C.M.P., an Order in Council is passed authorizing R.C.M.P. policing as required by The Police Act.

Since the meeting, information has been received from V.M. Seppala, A/Commr., Commanding Officer of "K" Division, advising that three constables are now available if the town wishes to enter an agreement with the force.

The letter notes that manpower is determined by a ratio of one policeman for each 750 of population. The town population would indicate a requirement of four men, however the letter goes on to say that a three man force would be considered if the town would hire someone to attend to the majority of clerical work.

This arrangement has been found feasible elsewhere, allowing policemen more time for actual police duties.

Two representatives of "K" Division were in Drayton Valley recently examining possible accommodation and other aspects of the proposed arrangements. It is expected that the matter will be considered further at the next meeting of Town Council.

COUNCIL BRIEFS

At its last regular meeting held in the Council Chambers, January 22nd, Council asked that the Secretary-Treasurer, members of the Police Department and members of the Snowmobile Club get together to make a preliminary draft of a bylaw regulating the use of snowmobiles in the town. The proposed legislation will be returned for Council ratification.

Councillor R.B. Smith was named to represent the Drayton Valley Council on the Edmonton Regional Planning Commission. The Commission, which Drayton Valley joined recently, meets once a month in Edmonton.

On recommendation of the Recreation Board, Council authorized the appointment of an assistant for Recreation Director Mike Gormley and the use of arena ice during weekday mornings and early afternoons by school students.

Councillor R.B. Smith was appointed to fill the vacancy on the Provincial Building Fact Finding Committee occasioned by the death of former Mayor Howard W. Pickup.

The subject of land assembly for future growth of the town was referred to the Development

Mr. and Mrs. Michael Zander

Couple Celebrate 65th Anniversary

Mr. and Mrs. Michael Zander, pioneer residents of the Tomahawk district, celebrated their 65th wedding anniversary with a family gathering at their home Sunday, February 1st.

On February 1st, 1905, Mr. and Mrs. Zander were wed in Vladimir, Province of Wilinski, Poland. Mr. Zander was born in 1883 and Mrs. Zander, the former Emelia Reich, in 1885.

They came to Canada in 1913 and settled in the Tomahawk district in 1914. They still live on the original homestead, two miles south of the village.

The couple raised a family of four boys, William, Charles, Rudolph and Henry. William passed away two years ago. Charles and Henry were present for Sunday's gathering but County Councillor Rudolph (Rusty) was hospitalized in Drayton Valley and unable to attend.

Mr. and Mrs. Zander Sr. have fifteen grandchildren, nine great grandchildren, and one great-great grandchild.

Both Mr. and Mrs. Zander are active and alert at 87 and 85 respectively. They live on their farm and still look after a few cows and chickens. Last spring Mr. Zander put in a 60-acre crop, but he says, he thinks it's about time to relax a little.

They experienced many hardships during the early homesteading years that they faced with optimism and courage. Both remarked Sunday on their thankfulness for enjoying happy, full lives.

Their first summer on the homestead was spent in a sod hut and a log cabin was built in time for their first winter. The family lived in the log house until 1923 when Mr. Zander built a small frame house. They moved into their present home in 1955.

In their first days on the homestead they had only two cows. By working out for as little as

50¢ a day Mr. Zander managed to raise enough for a team, wagon and a few pieces of farm equipment. When this was accomplished, he says, things looked considerably better and the farm began to shape up.

Game made up a good part of their early diet, they said, and moose were shot on occasion in the bamyard. His rifle, Mr. Zander noted, was an important piece of homesteading equipment.

Mr. and Mrs. Zander are members of Immanuel Lutheran Church in Tomahawk, and take an active interest in church and community life and the activities of members of their families.

Ratepayers of Entwistle Receive Western Review

The Western Review welcomes new readers in the Village of Entwistle this week.

The Village Council has entered a contract with this newspaper to supply copies weekly to ratepayers of the community. The agreement goes into effect February 4th.

As well as supplying copies to ratepayers, village advertising will be carried as a part of the contract. We will, of course, continue carrying Mrs. Oliver's regular weekly news column as well as accounts of meetings of the Village Council and other happenings in Entwistle.

We are also prepared at any time to provide photographic and additional coverage of events as they occur in the community from time to time.

Most Canadians live dangerously - and others can't afford cars.

Pembina Oilfield Fish and Game Association officers are shown here following last Thursday's annual meeting. Front row, left to right, Ken James, George Hart, Bob Cowan, and Mrs. Angela Sowada. Back row, left to right, Marv Grue, Gordon Shantz, Dave Schmidt, Dennis Malo and Mrs. M. Karach.

Fish and Game Assn. Names New Officers

Annual meeting of the Pembina Oilfield Fish and Game Association was held in the Goliad Safety Hall on Thursday evening with about twenty members present.

Officers elected for the next year are: President, Bob Cowan; Vice-President, Ken James; Secretary-Treasurer, Mrs. Angela Sowada; Membership Chairman, Mrs. M. Karach; Big Game Chairman, Dave Schmidt; Fish Chairman, Al Kirkup; Bird Chairman, Gordon Shantz; Hunter Training Chairman, Don Booker; Good and Welfare Chairman, Dennis Malo; Publicity, Marv Grue. Past President is George Hart.

Other business of the meeting included a decision to give up tentative plans for the development of a dam and fishing pond on Rose Creek at the Provincial Government Campsite north of Drayton Valley. Members felt the creek was unsuitable for such a project because of weed growth and the small flow of water.

It was suggested that by dropping what could be a costly undertaking the club might be in a better position to direct its efforts toward improving natural

fish habitats in the area.

The club membership asked for more information on the Canadian Wildlife Federation, which had requested the aid of F.G.A. groups across the country. During this discussion it was noted that the Fish and Game name denotes a hunting and fishing group, when such is not actually its primary function.

Past President George Hart pointed out that the club was also interested in membership by people concerned with conservation of natural resources, though they may not be anglers or hunters. He also suggested that along with conservation-minded people, the club should also direct its efforts towards membership by young people who have the greatest stake in the resources of the future.

Mike Karach reported on the game supper and trophy night held recently which received enthusiastic response and favorable comment from those who attended.

The club membership is very happy with the results of its first such venture. Not staged as a money-making undertaking, the club expects to break even on the

event when final figures are tabulated.

Annual convention of the Alberta Fish and Game Association will be held in Edmonton on February 26th, 27th and 28th. The convention was discussed at some length but no delegates have been named as yet. The club is entitled to three voting delegates.

Other business included a discussion on attendance and it was decided to award perfect attendance prizes at the end of the year. Junior members and ladies would also qualify for such awards.

Race Interests Local Paddlers

A canoe race from Fort Providence, down the MacKenzie River to Inuvik, planned as part of the North West Territories Centennial Celebration this summer, is attracting the interest of several of the Alberta paddlers who have been active in canoe racing.

Drayton Valley paddler Dave Ellery says he is interested and would like to take part if he could make the necessary holiday arrangements. Several other members of the Alberta team in the 1967 Canada Canoe Pageant are also interested and looking at the possibility of entering a team, Mr. Ellery said.

and Planning Committee for study.

A committee of Councillors Helm, Rose and Swendseld was named to negotiate sharing of maintenance and operating costs of recreational facilities in the town with the County of Parkland Council.

A Court of Revision to hear appeals against taxation will sit in the Town Council Chambers at 10:00 a.m. on March 12th. Members of the court will be Mayor Johnson and Councillors Helm, Huber, Rose and Smith.

Council authorized the Rebels Hockey Club to erect sandwich sign boards at certain intersections in the town on the day of Rebel home games.

Bylaw No. 484, authorizing the showing of movies on Sundays, was given first reading and directed for advertising in accordance with government regulations.

Council accepted the resignation of Constable Roderick McVicar. Two temporary replacements, Constables Judson and Moore, have been supplied by the Alberta Security and Police Academy to bring the department up to strength.

The Secretary-Treasurer was asked to write the Coordinator of the Edmonton Area Emergency Measures Organization to determine costs, responsibilities and aids to Drayton Valley if the town were to join the organization. The Mayor and E.M.O. Co-ordinator Bob Doig, were authorized to attend the E.M.O. conference in Calgary this month.

SUB-MITS FROM THE ELEMENTARY SCHOOL

This week let's meet a lady who has spent a lifetime in the teaching profession. Mrs. Isobel Hoyland was born in Killam over half a century ago. Her first four years of teaching were in the Cheviot Hills School District, which is north of Paradise Valley. Salary was \$700 a year. After a few years absence she again returned to teaching in the rural school. This time with her own three children in tow (ages 7, 5, and 2). She taught in the Viking district before coming to Drayton Valley in 1966. She has over 30 years of teaching experience. Mrs. Hoyland is a member of the local art club. She enjoys oil painting metal tooling and collecting recipes.

The following is a short report written by Mrs. Ruby Hurley a grade three teacher. It tells of how the help of two community ladies is being used in the classroom.

"Some children learn more quickly or slowly, as the case may be. Agree?"

Being able to read and understand the written word is basic to most learning in the classroom. Therefore, children having reading problems early in their school life need help! They need individual and personal attention on a one-to-one basis or to be guided carefully in small groups. A teacher with an enrollment of 25 to 30, or more students, does not have time to give enough individual help of this kind to the slower children.

For this reason, I have had the help of two local ladies, Mrs. Cathrea and Mrs. Shearer. Each one comes to my classroom once a week for an hour. Under my planning and guidance they listen to children read; help them study word lists or give drills in spelling.

The ladies enjoy it and so do the children! Their time, spent free gratis, is most valuable! Thanks".

Sincerely,
Olga Brown.

Go ahead,
spend a little.

Check the list. Datsun 1000 has everything — and then some. It runs like a sports car, rides like a big car, sips gas like a cigarette lighter and wears like a tank.

You can get 100,000 miles between major overhauls, 12,000 between grease jobs, 84 mph. and up to 40 miles to the gallon. The whole neat little package moves out like a jackrabbit, corners on rails and stops on a nickel. And all this goodness comes in a choice of two or four doors, with room for four big

people or five skinny ones.

With Datsun reliability, you won't see the inside of many service departments, but there are more than 200, coast-to-coast. With over three million dollars' worth of parts.

The only thing Datsun 1000 needs is someone to love it. Someone like you. Datsun 1000. There are plenty of cars in its price range. But nothing in its class.

Datsun 1000 is called the more-for-your-money car. And now you know why.

There's a Datsun for you: 1000 2-Door and 4-Door Deluxe Sedans, 1600 2-Door and 4-Door Deluxe Sedans and Wagon, 240-Z Sports, 1600 and 2000 Sports, 1600 Pickup. Couple Honored On Anniversary

A popular Drayton Valley couple, May and Nick Urchyshyn were honored Friday evening on the occasion of their 25th wedding anniversary. Over 100 people called and visited them at an open house at their farm home

just west of Drayton Valley.

Mr. and Mrs. Urchyshyn are long-time residents of the community. Mrs. Urchyshyn (the former May Tucker) was born here and Mr. Urchyshyn came to the district with his family in

1930. They were married in Edmonton in 1945 and settled on the location of their present farm.

The couple's two children, Lenard and Vallee (Mrs. Bob Hunter of Calgary) were present for the occasion and presented their parents with a chest of silver. Many other gifts and a purse of money were presented to the bride and groom of 25 years.

Guests enjoyed reminiscing, meeting old friends and dancing in the play-room of the Urchyshyn home. A delicious mid-night supper was enjoyed by the large gathering.

As well as town and area friends and relatives, guests were present from Edmonton, Moon Lake, Entwistle, Whitecourt, Chisholm, Calgary and St. Albert.

BOARD RECOMMENDS RECREATION ASSISTANT

At the last regular meeting of the Drayton Valley Recreation Board held in mid-January a report was heard from Recreation Director Mike Gormley regarding increased volume of work in the past year.

Mr. Gormley noted that within the next six months there will be so much administration and program work that a full time additional member will be required on the recreation staff if the program was to continue. The board agreed that another member of the staff was required and authorized such recommendation to Town Council.

A letter will be sent to the Drayton Valley Figure Skating Club re-charging them for facilities for the summer skating school as proposed at a previous meeting. Further discussion of the matter will be tabled until March and an early meeting with Harry Nevard will be arranged.

A letter has been received from the County of Parkland in which it was learned that a cheque for \$4,536.65 will be forthcoming to cover the use of the Centennial Civic Centre by people residing in the County of Parkland and also for the Tomahawk hockey teams as previously requested.

The proposed new budget was presented to the board members and discussed.

Mrs. Hagman inquired if it would be possible to cover the outdoor swimming pool. Mike Gormley reported that it would be an impossible feat because of the high cost of such a project. However, he indicated that a "bubble" type structure could be purchased for this purpose. Reg Samis volunteered to act on a committee to look into all aspects of cost and feasibility of such a "bubble."

Mike Gormley said he would work with Reg and would write a letter to Red Deer and Stettler inquiring about the cost.

The letter to Doug Hall, Physical Education Instructor at the Frank Maddock High School in response to his request for times and rates for use of the Civic Centre for the County and School programs was not enthusiastically accepted when charged \$12.50 per hour. The matter was discussed further and it was decided that the arena ice be made available free of charge to the Frank Maddock High School from 1 p.m. to 2 p.m. on Tuesday and Thursday, if school supervision is provided.

It was agreed that the same would apply only to other school schools requesting ice privileges during school hours.

With reference to the new skating rink at the Frank Maddock High School, Mr. Richer said that he felt that the school was quite happy with the arrangement made with the Town in regard to flooding and snow removal when it can be conveniently fitted in with the Town's work schedule.

Ron Tyreman's team of Drayton Valley placed first in the second event and the J. Jones team of Warburg placed second. In the third event the Ross Spear team of Edmonton took first and Les Wall's team of Drayton Valley placed second.

Mr. and Mrs. Manuel Reich, Mr. and Mrs. Gustave Reich, and daughter Linda attended their cousin's wedding in Edmonton on January 17th. While there, they had the pleasure of meeting two relatives from Australia who are visiting Canada at present.

Mr. Wilfred Schadeck of Tomahawk, who left last February 13th on an educational tour around the world, is now in Argentina. From here he is heading to Tierra-Del-Fuego, which is down in the southern tip of South America and then on to Chile. I'm sure he'll have some interesting experiences to relate when he returns home.

The Recreation Club House at the rink is finally nearing completion and ready to be painted at any time now.

The Tomahawk Pee Wee team and the Bantam team are still continuing their winning streak. Neither have lost a game so far. Score for the Pee Wees against Drayton Valley Rotary team in their last game on January 21st was 5-0.

The Bantams defeated the Bambees at Drayton Valley on January 26th by 3-1.

The Tomahawk Midgets dropped a game to Stony Plain on January 21st 2-1. On Sunday, January 25th, they played Onoway in Tomahawk and defeated them 4-1.

The Tomahawk men played Jasper Place men's team on January 27th and were defeated 6-1.

BERRYMOOR NEWS

About fifty friends and relatives met at the home of Mr. and Mrs. Philip Reznik on January 24th to honor them on the occasion of their fiftieth wedding anniversary. Their table was centered by a three-tier wedding cake, which had been beautifully decorated by Mrs. Florence Johnston. The highlight of the evening was the presentation of a gift to Mr. and Mrs. Reznik from the Berrymoor community. This presentation was made by Mr. W. Joneson. The evening concluded with the serving of lunch. The usual sandwiches and cake were augmented by generous servings of a variety of delicious foods which had been prepared by the Reznik family.

These folks have been respected members of our community for many years and it was a privilege to pay tribute to them on this occasion.

Mr. and Mrs. W. Joneson and family of Wainwright spent the weekend of January 24th in Berrymoor.

Mack Gillespie of Carnwood has won an award from the Fish and Game Association for a set of elk horns that he got during the recent hunting season.

Mr. Allen Vogel is away on holidays at the present time.

We are glad to report that Mr. Pete Malainey was not seriously injured in an accident that he was involved in recently. However, the car was damaged

quite extensively.

Sincere get well wishes are extended to Dwayne Thorsen who had the misfortune to break his arm and also suffered a shoulder injury in a fall one day last week.

Three school buses brought 110 children from the Breton Elementary School to the Lindale School to attend a drama being presented there.

F.G.A. Magazine

Due to a clerical error, some members of the Pembina Oilfield Fish and Game Association failed to receive the Alberta Sportsman last year. Club executive has stated that they will be put on the publication's mailing list for the 1970 calendar year.

The above recommendations were approved.

Offer to lease the NE 32-54-6-5 was received from Mr. Allister Barr of Sangudo. It was agreed to notify Miss Ada J. Anderson of Magnolia, who has been obtaining a hay permit on this quarter in previous years, of this application and offer to Miss Anderson first chance to lease this quarter.

Agreement between the Municipal District of Inga and the Grand Trunk Pacific Railway Co. to maintain a ditch in Duffield. A request has been received from the Canadian National Railway Co. Ltd. for a decision from this Council whether an agreement dated October 1, 1931 between the captioned parties to construct and maintain a drainage ditch in Duffield should be kept in force or cancelled. It was agreed to hold this matter in abeyance until spring for an inspection during the spring run-off.

Request for list of railroad crossings requiring automatic protection was received from the District Engineer. It was agreed that no request be made for automatic protection at any railroad crossings this year.

Letter dated January 14, 1970 from Mr. D.C. Ritchie, P. Eng., District Engineer, was read to the Council advising that work on the C.N.R. overpass at Carvel is scheduled to commence in early June of 1970 if the County has secured the necessary right-of-way.

It was agreed to advise Mr. Ritchie that the County is in the process of acquiring the necessary right-of-way.

ENTWISTLE FIRE DEPARTMENT

Letter dated January 19th from the Entwistle Fire Department was read to the Council advising that they were called to a fire at the home of Mr. Don Town on the NE 2-52-7-5 and upon arrival found that a 12 year old boy had taken a family of seven children to safety and extinguished the fire. The Fire Department has suggested that the boy be given some recognition for his actions. It was agreed that the boy be presented with an appropriately inscribed plaque.

ANNUAL MEETING

It was agreed that the next Annual Meeting of ratepayers be held in the Frank Maddock High School Auditorium in Drayton Valley on Saturday, March 21st, commencing at 10:00 o'clock a.m.

Request received from the "Yes For Daylight Saving Society" to support their efforts in having legislation passed implementing Daylight Saving Time in Alberta. It was agreed that this request be not supported.

OFFICE RENOVATIONS

It was agreed that to alleviate the crowded condition in the office, the Committee Room be converted into a number of suitable offices and a portable building be acquired and placed adjacent to the office on the north side for use as a committee and meeting room. It was further agreed to accept the quotation of Porta-Built Industries Ltd. to supply a portable building at a cost of \$10,180.

It was agreed to request that all users of County telephones be requested to maintain a record of all long distance telephone calls and submit such records to the office monthly.

The meeting adjourned at 3:45 o'clock p.m. to meet again on Wednesday, January 28, 1970.

Council meeting continued Wednesday, January 28.

Members present were Reeve Leslie N. Miller, Deputy-Reeve Rudolph Zander, Councillor Peter Bakker, Roy Lent, George Mann and Ivan Vowk.

The employment of an Assistant Development Control Officer and Agricultural Fieldman was again discussed as Mr. Lyle Sutherland has declined these appointments.

Request to lease an area in the SW 27-53-1-5 for a storyland park development was received from Mr. H. Bielefeld of Spruce Grove. It was agreed that as previously agreed, a lease be approved on 30 acres for a period of 12 years renewable upon expiration at an annual rate of \$3.00 per acre.

CITY OF EDMONTON ANNEXATION PROPOSAL

A copy of a letter drafted by Mr. W.H. Hurlburt County Solicitor, advising City officials of the Council's stand on the annexation proposal was presented to the Council. It was agreed that Mr. Hurlburt be authorized to present the letter as submitted to the City officials and to inform the City that Reeve Miller and Mr. Hurlburt would attend a meeting with City Council if they so desire.

It was agreed to employ Mr. Stanley Livingston of Fallis as Shop Manager at a salary of \$650 per month to be reviewed after six months employment.

Assessors Kenneth R. King and George Mailer were present at the meeting to negotiate salaries for 1970.

Assistant Public Works Manager Kent Craig was present to discuss salary for 1970.

Public Works Manager M.M. Bradley met with the Council regarding Public Works programming and operations.

STOCKPIILING OF GRAVEL AT CYNTHIA

It was agreed to haul approximately 10,000 cubic yards of gravel from a location on Rat Creek to Cynthia.

Weekly Livestock Report

The Edmonton weekly livestock report for the week ending January 29, 1970 provided by the Livestock Division, Canada Department of Agriculture.

SALES	CATTLE & CALVES	CATTLE	CALVES	HOGS	SHEEP
This week (est.)	6570	4400	2170	2800	275
Last week	6455	4331	2124	3201	192
Same week 1969	4125	3336	789	1310	516

SUMMARY

Receipts were about equal to the previous week with replacement cattle and calves representing approximately 65% of the total sales.

Slaughter Cattle and Calves-- Slaughter prices have held up well in relation to other markets which is mainly due to a shortage of finished cattle in this general area. Trading opened up on a firm basis but competition tapered off as the week progressed. Choice handyweight steers were selling \$1 lower with heavier kinds discounted up to \$2 in closing sales. Choice handyweight heifers were very scarce throughout the week selling about steady. A few sales of light weight fancy heifers topped \$28.75. All grades of butcher cows were selling under pressure to close at a full dollar lower. Bulls were \$1 lower. Veal and butcher calves in short supply and rating steady.

Replacement Cattle & Calves-- All classes and weights of replacement cattle and calves continued to move readily at fully steady prices.

side of the NW 11-53-1-5; South side of the SW 16-53-1-5; South side of the SE 17-53-1-5; South side of the SW 15 & SE 16-53-1-5; South side of the SE 15-53-1-5.

Agreement to borrow pit in the NW 31-50-27-4 with compensation of \$100 per acre and the top soil to be removed and replaced was approved.

Shipments -- Out of province cattle and calf shipments for last week were: East 55 slaughter and 235 for feeding; West 330 for slaughter. Export to U.S.A. 26. Feeders to Southern Alberta 885 cattle and calves.

Legion District Commander Alex Bayrak (L) presents the district trophy to members of the Westlock rink that won the Legion's weekend event in Drayton Valley. Rink members from left to right, are, Ted Duza, Albert Grand-bois, Doug Rice and John MacIntyre.

WESTLOCK RINK WINS LEGION DISTRICT 'SPIEL

Five Royal Canadian Legion rinks took part in the District 2 curling finals held in Drayton Valley last weekend. It was the first time that the final had been hosted by the local branch.

Rinks from the north-central area that took part were from Edmonton Norwood, Hinton, Westlock, Whitecourt and Fort MacMurray. All were earlier winners of their respective zones.

The Westlock team emerged as final winners Sunday afternoon after a nip and tuck battle with the Whitecourt representatives.

Whitecourt won the "A" section and met the "B" division

winners from Westlock at noon Sunday. A win by Westlock set the stage for a second game in the double knock out event.

The late afternoon game was a gruelling, closely contested affair that was finally settled in Westlock's favor after playing an extra end.

The Westlock team will now advance to the Provincial finals in Yellowknife later this month. The provincial winner will go on to the Dominion final in Prince George in March.

To wind-up the weekend's activities trophies were presented to the winner and runner-up by District Commander Alex Bay-

rak of Edmonton.

Curlers were feted at a social evening in the hall Saturday and ladies of the Auxiliary worked throughout the weekend providing lunches and meals.

The Legion Hall, a busy place throughout the weekend, drew the admiration of visitors who were high in their praise of the local branch for its accomplishment in erecting and operating the fine hall in Drayton Valley.

KEEPPHILLS NEWS

Joyce Schwalbe was struck over the eye with the puck at a hockey game in Stony Plain. The cut required two stitches. In the mean time Eddie Bacon was playing hockey with a bunch of boys on the Keepphills rink when a puck hit him above the eye requiring 4 stitches.

Congratulations to Mr. and Mrs. Glenn Englehardt on the birth of their first baby, a boy, at the Royal Alex in Edmonton on January 26th. He weighed 6 lbs. 9 ozs. and his name is Ian Glenn. The first grandson for Mr. and Mrs. Carl Engelhardt.

Nora Dombrosky is in Misdordia Hospital in Edmonton.

Mrs. Lillas Heap of Stony Plain spent Sunday afternoon visiting Viola Porter, while other members of her family enjoyed tobogganing on Coal Oil Creek hills.

Mr. and Mrs. Sims of Edmonton visited Mable Bryant on Sunday afternoon. Mable's son, Gordon Bryant and family of Drayton Valley, spent Saturday and Sunday visiting their relatives in the district.

Dorothy MacDougall will again act as hostess at the school on Thursday and Friday afternoons during parent and teacher interviews.

RABIES CASE REPORTED

The first rabies case in Alberta in 18 years has just been confirmed, it was revealed at the weekend Alberta Veterinary Medical Association annual meeting according to newly elected President, Dr. Jim Rattray of Edmonton.

Dr. Rattray said the condition was positively identified in an Edmonton dog by the Canada Department of Agriculture Research Laboratory in Lethbridge. The dog had recently come from Saskatchewan where several cases have been reported.

Pigeon Lake P.C.'s Organize

Progressive Conservatives of the new provincial constituency of Pigeon Lake met at the Elks Hall in Drayton Valley Monday evening and elected officers and established a constitution for the new constituency association.

About thirty persons attended representing communities throughout the new constituency. Alder Flats, Thorsby, Mameo and Drayton Valley were among the areas with delegates present.

Following election of officers, a work session on details of the association constitution took up the balance of the evening.

Bill Tuttle of Drayton Valley was elected president and vice presidents are Tony Lefsrud, Thorsby; Dallas Schmidt, Mameo Beach; Frank Hoge, Violet Grove; and Orest Heyday, Drayton Valley. The secretary is Mrs. Irene Braybrook and treasurer Darlene Tucker, both of Drayton Valley.

Directors are: Roy Burrows, Drayton Valley; Owen Hamlin, Mameo Beach; Walter Knull, Pipestone; William Dusterhoft, Rocky Rapids; Jack Tyler, Drayton Valley; Dave Ross, Thorsby; Ritchie Woods, Drayton Valley; Norman Moore, Alder Flats; Mary Burrows, Drayton Valley; Ken Hayduk, Alder Flats; and Bob Cowan, Drayton Valley.

W.I. Meeting

The regular meeting of the W.I. was held on January 26th at the Town Library with seven members and one guest present.

Election of officers was held, they are: President Mrs. Bowen, Vice-President Mrs. Oscar, Secretary Mrs. Edmunds, Treasurer, Mrs. Burrows, and Publicity Mrs. Gustafson.

The subject of a small fall fair was discussed but it was decided to ask other organizations for their opinion.

The meetings have been changed to the fourth Monday of each month instead of the usual third Monday.

Next meeting will be held at Mrs. Bowen's on February 23rd. Any new members or visitors are welcome to attend.

D. V. Highlights

By Mrs. Edith Deby

Mr. and Mrs. Morris Mastre went to Lamont recently to attend capping services for their daughter, Donna, who is training at Archer Memorial Hospital. Mrs. Claude Free accompanied the Mastres. A reception was held following the services.

Mr. and Mrs. Ken Machan had had a most interesting week in Dallas, Texas last month. While Mr. Machan applied himself to a Management Course, Mrs. Machan enjoyed herself in the shops. Mrs. Machan says that they were entertained so often in the evenings that they really had very little time for sight-seeing.

Mr. McKillop attended the Skd Instructors School at Leduc on the weekend of January 24th.

Out of town guests for the Urchysyn 25th wedding anniversary included: Mr. and Mrs. Fred Urchysyn of Chisholm, Mr. and Mrs. Martin Pajak of Calgary, and from Edmonton were Miss Rosa Wolters, Mrs. Sam Urchysyn, Mr. and Mrs. Hank Rhyanen, Mrs. Wilmer Brown and Mr. and Mrs. Tony Baudenbacher. Mrs. Urchysyn was particularly happy that Mrs. Baudenbacher was able to attend for it was she, then Mrs. Laura MacLeod, who entertained with a bridal shower for Miss May Tucker, the fiancée of Mr. Nick Urchysyn 25 years ago.

Mr. Henry Dunington is spending the winter in Vancouver with members of his family.

Mrs. Adolph Landseidai has just been discharged from hospital and is convalescing at the home of her son-in-law and daughter, Mr. and Mrs. Rusty Jorgeson.

Mrs. Hewlett's friends are happy to hear that she is home from hospital and is feeling much better.

While delving around in a seldom opened trunk this afternoon I cam across two old newspapers that I hope will some day come to rest in a local museum. The first was a copy of our first newspaper. It was called "Drayton Valley Tribune." First published on February 18th, 1954 its front page bears such head lines as "Drayton Valley to Have School," "Drayton Valley to Have Bank," "New Pembina Field Promises Double Alberta Oil Reserves", "134 Students in Drayton Valley School", teachers Miss Wolters, Mrs. Law, Mrs. Deby and Mr. Harvey Telford. The latter was also the local editor of the "Tribune". The second paper was the first issue of "The Pembina News Advertiser" with Mr. Arthur Playford as editor. It is dated February 2nd, 1956. On

the front page of this issue we read all about plans for the first ice carnival. Mrs. Frank Flewelling was co-ordinator. Queen candidates were: Misses Gladys Larsen, Joyce Humphries, Maxine White, Irene Beckley and Joy Ann Patterson. (I seem to recall that Miss Patterson won). Among the advertisers were some whose businesses are thriving today but who can remember "The Drumstick", "Lantern Inn", "M. A. Leippl & Co.", "Valley Department Store", "Wilmer Foods", "McEwan's General Store"? "Penny's Inn" at Violet Grove advertised a large, tender sirloin steak for \$1.35 and from "The Drayton Valley Highlights" we learn that Mr. Jack Tucker was ill and would have to spend some time in hospital.

Speaking of past history, the "1970 Tourist Guide" lists Klondike Kampers Karnival as a Drayton Valley attraction for the third week in July. Surely no one is reviving that clunker.

Councillor Hospitalized

County Councillor Rudolph (Rusty) Zander of Tomahawk entered the Drayton Valley Municipal Hospital on Wednesday of last week suffering from pneumonia. Mr. Zander was feeling considerably better Monday and expected to be released later in the week.

Accident Claims Life

An accident on a district road about 6 miles north-east of Tomahawk on Wednesday, January 28th, claimed the life of 23-year old Mrs. Elizabeth Milner of Seba Beach.

Mrs. Milner was a passenger in the car driven by her husband Douglas Milner, that collided on an "S" curve with a 1/2 ton truck driven by Ernest Lutz of Edmonton. The Milner vehicle was travelling west and the other to the east when the accident occurred at about 5:00 p.m.

The Milner's one-year-old daughter suffered a cut on the forehead in the accident.

BUCK CREEK

Ken Gailey is presently working on a Lancaster aircraft converting it to a water bomber. Buster MacDonald and Ken McCulloch are assisting Ken in this work.

Mrs. Marg Whittaker is in the Glenrose Hospital for therapy treatments.

The senior girls basketball team from Breton, whose captain is Heather Malin, are playing in Devon on the 6th and 7th. This is the zone playoffs and the winner will advance to the provincial playoffs.

We are glad to hear that Gail Bara is home from hospital.

Teresa Hogarth is still a patient in hospital but hopes to be out soon.

The grandchildren of Mr. and Mrs. Jock MacCrank will be coming home from the hospital on Saturday. The girls and mother will be arriving on Sunday.

All-Stars Still Lead League

The Burrows Motors Bantam All Stars have remained undefeated in the Hiway 16 league over the past two weeks with a 18-2 victory over Spruce Grove Bantams on January 24th and a 6-4 margin over Stony Plain on January 31st.

In the Spruce Grove game the team was really flying and everyone was scoring. Mark Hutton led the point parade with five goals and three assists, three of these goals were made in less than one minute. Bob Burrows and Dean Samis each got a "hat trick". Other scorers were Xavier Coppens, two-goals and one assist; Ron Bartek got one goal and three assists; Bruce Hutton two goals; Bobby Hall one goal; Darcy Galvon one goal and an assist; Lindsay Machan two assists and Ray Duperron and Ken Fornier each got an assist.

Mark Hutton's "hat trick" led the scoring for Burrows Motors Bantams to a victory over the Stony Plain Bantams. This was a

closely contested game. Dean Samis, Ron Bartak and Darcy Galvon each added a goal.

Since the last report the All Stars have also played two exhibition games. They travelled to Wabamun on January 26th for an exhibition game and came out on the short end of a 5-4 score.

On Sunday, February 1st, the Bantam All Star team hosted an exhibition game with Moore's. Tomboy Bantams from Rimbey. Rimbey was defeated 7-0. Bert Duperron and Ben Coppens were credited with the shut out. Mark Hutton led the scoring with five goals. Single scores went to Bruce Hutton and Kevin Reich. The score was no indication to how evenly played the game was.

Next home game for the Bantam All Stars is an exhibition with Mayerthorpe Bantams on Friday, February 6th at 9:00 p.m. Come support the team and see some of the best minor hockey in Drayton Valley.

Institute Held At Seba School

By MRS. W.E. CAMPBELL

Teachers must be very dedicated people. Approximately 200 junior high and elementary educators from every corner of Parkland County braved the 45 - 50 degree below temperatures to attend the Teachers' Institute held at the Seba Beach School on Friday, January 16th.

The institute was sponsored jointly by Parkland County #31 and A.T.A. Local #10. Planning and organizing was done by the Professional Development Committee in conjunction with the administration of the County of Parkland. Chairman of the day was Mrs. E. Schiedeman of Wabamun School, who also heads the PD Committee meetings.

Before work began, registration was smoothly carried out by Mrs. E. Ferrier, Seba Beach secretary. During the short General Assembly which set the tone for the day, Mr. W.J. Anderson, principal of Seba Beach School, welcomed the group and introduced the guest speakers. After a few well-chosen words from Mrs. Schiedeman, the assembly was adjourned and the

gathering disbanded into work groups.

The group was eager to participate in stimulating sessions directed by thirteen knowledgeable and expert guest speakers, all of Edmonton. Among the subjects under discussion were: remedial reading, with speakers Mrs. Finch and Mrs. Shandling; Social Studies, guided by Mrs. Doris Hopkins, Mr. G. Robert, and Mr. M. Halverson; Mathematics, with three very enthusiastic leaders, Mr. L. S. Fossum, Mr. P. Wyllie, and Mr. E. Dos-sall; Science, piloted by Mr. N. Purvis and Mr. K. Jacknicke; E.T.V. with Mr. E. Giles; and MEETA (Metropolitan Edmonton Educational Television Association) with progressive minded Mrs. L. Beamer and Mr. M. McFee.

One of the sessions which dealt with applying methods was remedial reading. The purpose of this was to demonstrate to teachers the procedure which could be used to help the less fortunate child who is a slow reader.

The Social Studies session was basically an introduction of modern curriculum for junior high. Part of the time was devoted to group discussion of new concepts, their meanings, and their effect on students.

Mathematics was presented by using the teachers as guinea pigs to demonstrate the value of the activity method of teaching. By interpreting mathematical concepts in terms of actions and objects familiar to children, and placing the classroom teacher in the position of guide, the children not only "learn by doing", but are also kept interested in the subject. The enthusiasm of the leaders was reflected in the response of the group of teachers, even as it would be in a classroom of eager students.

For many years, Science has been considered by the layman as a body of knowledge increased by white-coated, absent-minded types who worked in labs. The Science speakers maintained that it must be thought of as a way of thinking and working. One of the new methods of teaching emphasizes the importance of providing experiences, rather than telling students the answers.

Mr. Giles presented a very thorough analysis of production techniques for E.T.V. and ex-

Eight town and area residents were drawn in the Macleods contest for a free all-expense paid holiday to Expo 70 in Japan. The eight local names have been submitted to the Winnipeg office and the draw will be held soon and names of winners announced.

Local residents whose names have been submitted and have a chance of winning are: A.S. Mohn, Drayton Valley; Mona Attwood, Lodgepole; Helen Anderson, Berrymoor; Mrs. C. Chenery, Drayton Valley; C. McMillan, Drayton Valley; Mrs. John Woytovich, Drayton Valley; H. Hallgren, Buck Creek; and Jim Martin, Drayton Valley.

Beef Club Meets At Tomahawk

The regular meeting of the Tomahawk 4-H Beef Club was held January 13th at R. Zander's.

The pledge was led by Brenda Zander and roll call was, "What mark I got in my record book".

The Wisconsin exchange trip was discussed and it was decided to let the leader and adult committee choose the best suited members.

It was decided that the club would participate in the Valentine Queen contest which is held by the 4-H clubs to support the crippled children. Our club king, is Ivan Pryor.

Reports were given by Lawrence Watson and Fred Gruber.

Guest speaker was the Assistant District Agriculturist Mr. W. Klatt. He gave an interesting talk on animal nutrients and different kinds of feed.

Linda Piskunowicz gave a speech on the art of public speaking. It was decided to have the first practice for public speaking on January 27th at the school.

plained how to get the best possible results for classroom television equipment. A point of interest was his statement that "Parkland County has the largest number of closed circuit television systems in Alberta available for use in schools".

Many of the teachers were interested in the MEETA sessions, as this station begins programming on March 1st. Information was given about various aspects of importance relative to school programming, including the subject areas covered by the present schedule.

REBELS FACE ELIMINATION

On Sunday, February 1st, the Drayton Valley Rebels and Fort Saskatchewan Huskies locked horns in a showdown for the last play-off position in the N.C.A. - H.L. With a 4 goal performance by Herbert, the Huskies came out on top of a 5-2 score. Thomson assisted on 3 of Herbert's goals as well as scoring the winner. Davie scored at 19:12 of the first period to keep the two clubs even at the end of the first, however, goal posts and missed chances kept the Rebels off the scoresheet until 18:36 of the final period when Hall scored to end the scoring. The teams split 12 minor penalties.

Wetaskiwin has first place locked up while Camrose is in second. Stettler has 19 points, Fort Saskatchewan has 18 points and Drayton Valley has 16. The Rebels have two games remaining against Wetaskiwin and Camrose while the Fort and Stettler play against each other in their only game remaining. If the Rebels win both their games and the Fort Huskies win over Stettler, the Rebels will finish in 3rd and the Fort 4th. If Stettler wins over the Huskies and the Rebels

win 1 of their 2 games left, the Rebels will be 4th with Stettler in 3rd.

The final positions and teams in the playoffs will not be decided until the final games of the season when the Rebels host the Maroons from Camrose on Sunday, February 8th at 1:30.

The fans are reminded that the hole in the net is now worth \$60 to the students and \$40 to the adults.

Funeral Service For Mrs. Jensen

Funeral services were held January 31st at the Entwistle Community Protestant Church for Mrs. Annie Jensen of Rocky Rapids who passed away January 25th at 68 years of age.

Pastor Robert Koehn officiated and interment was made in the community cemetery.

She is survived by her husband, Ernest; her mother-in-law, Mrs. C. Jensen of Rocky Rapids; and several neices and nephews.

LIBRARY NEWS

Besides many new titles for children and young adults, the following books have arrived this week: Jeane Dixon's "My Life and Prophecies", Max Braithwaite's "Never Sleep Three in a Bed", and Reginald Whitaker's "Drugs and the Law". "A Complete Guide to Canadian Universities", Esther Fraser "The Canadian Rockies".

Our Readers Say: Of "Miss Owen-Owen is at Home", Mrs. Diachuk says the book doesn't make much sense.

"Georgy Girl" by Margaret was and is, very popular.

Mrs. Jordahl of "O'Shaughnessy's Cafe" is there a sequel? The book leaves one rather up in the air.

Mrs. Kirkup has just re-read "Armageddon" and feels that all Leon Uris's books are worth reading.

Mr. Johanneson of "The Knights of Dark Renown" by Graham Shelby. The author has evidently done a good deal of research on the subject of the crusades but his style is jerky and at some times almost incoherent.

The Community Association met on January 20th. The main agenda was bonspiels. Three volunteers were asked to look into the costs, etc. of artificial ice and to report to the next meeting.

Over 500 more Nabob coupons are needed to purchase a coffee urn for the association. There are jars you can drop them in at Dunns and the curling rink. Mrs. Margie Hammond reported that the electric fry pans she had ordered with the coupons are no longer available and so it has been decided to get the urn instead, but 500 more coupons are needed.

Next meeting will be held February 18th.

Evie Miller was transferred from Drayton Valley to the Royal Alex Hospital where he underwent surgery on his head. At last report he was coming a long favorably. Dorothy had a baby boy and is in the same hospital. Congratulations on another son.

Sunday, February 1st guests at the Howard Pearsons were Mr. and Mrs. Bill Czajkowski of Wetaskiwin and Mr. and Mrs. Joe Melnychuk and Pam of Edmonton.

Harold Johnson was home on days off from the north country, his rig is drilling for French Petroleum at Mawkkid.

James Chapchuk was home for several days after finishing his first semester at Alberta College.

Congratulations to Reg and Jean Bywaters on the birth of another girl in the Drayton Valley Hospital on January 19th.

Mr. and Mrs. Harold Johnson and girls were Saturday evening visitors at the Bernard Johnson home in the Rimby district.

Report from the Legislature

By TONY COX

Major revisions in the medicare program, a revised income-tax sharing agreement with Ottawa, taxation relief for the property owner and an emphasis on urban life, social and educational development highlighted this year's Speech from the Throne.

Medicare revisions included the combining of hospitalization, health insurance and drug options into a total health care insurance package.

Also proposed is the elimination of direct daily patient charges for hospital services and the abolition of the four-mill, province-wide hospital tax levy.

Legislative changes will make it possible for medicare objectors to opt out of premiums and benefits of the new comprehensive insurance scheme.

The premium structure hasn't been announced by Health Minister Jim Henderson. It is expected, however, the government plans to revert to the three-level system, \$60 for a single person, \$120 a year for a married couple and \$150 for a family.

The Throne Speech promised tighter controls over educational spending, re-organization of the School Foundation Plan fund, increased employment opportunities for students in post-secondary institutions and major revisions to the School Act.

Renovation of old and inadequate schools in downtown areas was given preference over the building of new ones. This comes despite strong hints by Education Minister Robert Clark of tightened provincial controls on education costs.

The province also intends meeting the drug question head-on by establishing a special commission on alcohol and drug abuse and by producing a film on drug misuse for general distribution to Alberta schools.

In response to the housing shortage, the Alberta Housing Corporation will have broadened powers. A fund is to be set aside to provide money to assist in the purchase of homes.

Amendments to the Municipal Government Act will permit a municipality to make land available at less than market value for housing starts.

A new approach to senior citizens' housing to re-emphasize the senior citizen's home-building program, expansion of employment opportunities to remove unemployed families from the welfare roles and the establishment of an "Environment Conservation Authority" to investigate all areas of pollution and a driver demerit point system were also contained in the Speech.

The eleven page document clearly revealed that Premier

BROWNIE NEWS

At the January 6th meeting, the Golden Ladder Brownies discussed the progress of their plants and received parcel wrapping. The Golden Hand Brownies selected their choice of Brownies in other lands that they wish to work on. The Golden Bar worked on their scrapbooks.

There was no Brownie meeting on January 13th because of poor weather conditions.

On January 20th, Mrs. Demers tested the Golden Ladder Brownies on 'compass' and 'parcel'. The Golden Hand did their "Brownies of Other Lands", they made a book and Mrs. Telford got some paper uniforms to paste in the book on the brownies of other lands.

Harry Strom is responsive to public complaints about existing Socred programs. Compared to the lack-lustre document of last year, the 1970 edition clearly indicated government concern for comprehensive, long range planning, the changing quality of life in the province, the problems of urbanisation and the development of human resources.

The open-minded approach by Mr. Strom during the first days of this session suggests that compulsory automobile insurance is not far away. A compulsory arbitration board to settle labour

disputes is soon to be announced as well as provincial proposals to utilise a greater portion of the personal income tax field while withdrawing from certain federal shared-cost programs.

Opposition leader Peter Lougheed said the lack of rural legislation and the decline in net farm cash income and the dependency of the small, rural communities on this economy indicates a lack of responsibility on the part of the Socreds for not recognising this.

The one big question facing Mr. Lougheed this session is to provide Tory alternatives to Socred legislation without becoming too radical. As NDP leader Grant Notley said in a comment after the Throne Speech, "it's a very business-as-usual conservative throne speech and could just as easily been written by Peter Lougheed as Harry Strom."

One thing the speech indicated. It's going to be busy in the Press Gallery.

Some of the Rangers who attended the rally here last weekend are shown getting ready to enjoy a turkey supper in the Scout Hall Saturday evening.

Rangers Gather Here at Weekend

Drayton Valley Rangers hosted a "Discovering Rangering" meeting at the Scout Hall on January 31st and February 1st.

Rangers within a two hour drive were invited and arrived on a chartered bus at 11:00 a.m. There were three captains and thirty-two Rangers present.

A scavenger hunt got under way after lunch and ended about 4:00 p.m. The girls would like to thank Drayton Valley residents for their co-operation.

A turkey supper was held at 5:00 p.m. in the Scout Hall, and was followed by two hours of enjoyable bowling.

Later in the evening, the girls enjoyed a campfire sing sing,

playing games and having refreshments.

Leaders and Rangers slept overnight at the Hall and left for home after lunch and a game of volleyball the next day.

Discuss Bursary At A.A.R.N. Meeting

The regular monthly meeting of the AARN was held January 21st in the Nurses Residence with ten members in attendance.

A discussion was held on a bursary to be given to anyone from this area entering Nurses Training. An appointed committee brought forward a guideline for requirements necessary for application and this was approved by chapter members.

A film was shown on "Immediate Post-surgical Prosthesis". Application of artificial limbs immediately following surgery was a technique first used by a Polish doctor. In 1964 the Seattle Prosthetics Research centre organized a group of doctors from the center to visit Poland and learn the technique.

A special method of suturing the muscle to the bone following amputation is used so that the patient is able to exercise the muscles of the stump.

Immediately after surgery an elastic cast is applied to maintain an even pressure on the stump to promote healing. Then a temporary prosthetic extension is applied to the cast.

The first day following surgery the patient is allowed to stand

with assistance and ambulation is increased each day. By the fourteenth day following surgery most patients are home walking without crutches, and by the seventeenth day the stump is completely healed and isometric exercises are started.

At the end of one month the permanent limb is applied and the patient is able to resume a normal life with no disability.

So far, experiments have been done with lower extremities only but this technique has proved successful with both young and old.

The next meeting of the AARN will be held February 11th in the Nurses Residence. At this meeting a report will be given on the drug seminar being held in Edson this weekend.

BURTONSVILLE NEWS

Everyone seems to be enjoying this wonderful change to warmer weather. During the past week we have had 36 degrees above zero.

Gordon and Marie Raymond visited Axel and Emma Homme on Thursday.

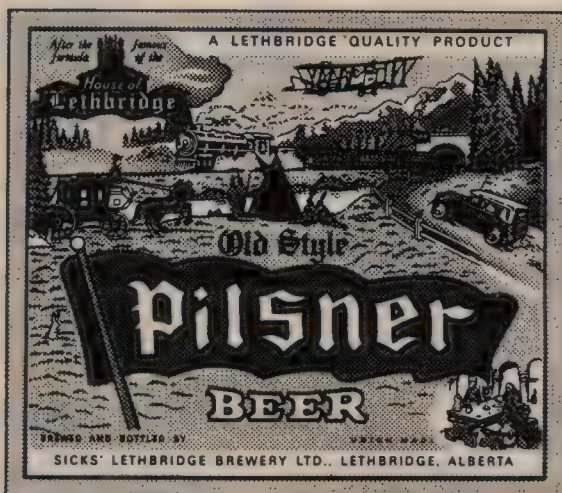

Zoltan and Norma Petriko and children were visitors at Norma's folks and also Cecil and June on Sunday.

Rev. Kennedy visited at the Homme's on Sunday.

Axel Homme celebrated his 82nd birthday on Tuesday. A number of folks called in person and some phoned to wish him the best. Phone calls came from Barrhead, Lodgepole, Red Deer, Warburg, Whitecourt and Edmonton.

Don and Pat Tattersall of Lodgepole and son visited Mary and David on the weekend.

New calves and lambs are making their appearance and so we hope this warm weather continues.

Rocketing across the East Side of the Lethbridge Pilsner label is the hottest Hupmobile in town. That's them. The original Bunny and Clyde. And they've got trouble, see? 'Cause there's a shotgun-totin' sheriff in that stagecoach. And if he doesn't nail them, the Mad Bomber in the biplane will. Unless Crazy Horse and the Seven Nations get there first.

It's a razzamatazz old world on our label. Happily though, things are much quieter inside the bottle. There you'll find Alberta's original Pil - brewed the slow, natural way for honest flavour's sake. No one can steal that.

Regular Meeting Rec. Council

Minutes of the regular meeting of the Parkland Regional Recreation Council held in Stony Plain, Monday, January 19th.

Members present were Chairman Mr. L.N. Miller, Councillors Mann, Lent, Vowk, Gylander, Fuhr and Hennig. Also present were Mrs. M. Ivan and Mr. R. Bailey, Arts Committee members.

Staff present were Mr. C. Armstrong, Mrs. L. Holgersen and Mrs. J. Cross. Also present was Mr. D. Park, District Youth Representative.

SUPERINTENDENT'S REPORT
Mr. Armstrong reported to Council on plans for presentation of the proposed budget to Local Authorities.

Progress on the facility at Tomahawk was reported, as well as information on the Recreation Board Workshop, to be held in Banff in early February.

The Superintendent presented to Council the costs and other details concerning the proposal to employ Area Supervisors. It was agreed that further recommendations would be made after the 1970 budget has been presented to Local Authorities.

It was moved and carried that two representatives from the Regional Recreation Council be authorized to attend the Board Workshop at Banff.

Mr. Lent and Mr. Mann were named as delegates to attend Recreation Board Workshop at Banff, February 6th, 7th and 8th.

REGIONAL ARTS COUNCIL
Mrs. Ivan reported on a meet-

ing held with Mr. W. Kaasa, Director, Cultural Development Branch, concerning the feasibility of this type of regional administration of a comprehensive Arts program. It was reported that Mr. Kaasa proposed that a committee investigate the possibility of setting up of a Regional Arts Foundation, rather than a Council. It was felt that the committee should consist of the present members, plus one or two others.

A small gift was presented to Mr. R. Bailey, Recreation Councillor, whose term has expired, by Mr. Armstrong on behalf of the staff in recognition of his hard work and efforts on behalf of the Regional Recreation Administration, since it's foundation in 1968.

ARTS & CRAFTS DIRECTORS REPORT

Mrs. Holgersen presented her report to Council. She informed Council of progress of plans for winter programs to commence the second week in February. It is noted that last fall 15 communities took part in the programs, and that the winter programs will see eight more communities participating for a total of 23 communities taking part in recreation classes.

Mrs. Holgersen reported on the Leadership Development Course to take place January 20th, 21st and 22nd and requested attendance by Councillors to welcome participants. Mr. Miller agreed to attend.

LETTERS TO THE EDITOR

Dear Sir:

Re: Hunger Meals 1970.

As was the case last year, in order to help the poor, a "Hunger Meal" will be available to all adults of the district each Thursday during Lent at the curling arena. The meal, costing a dollar, will begin on Thursday, February 12th and will be served from 11:45 a.m. to 1 p.m.

The object of the "Hunger Meals" is twofold: first, to actually experience some degree of hunger, realizing that for millions of people it would be the main and only meal of the day and secondly to give us a chance to do something for the poor, here and now, as we live in this area of the world.

The money received does not go to the Catholic Church but to the Development and Peace Organization of Montreal which distributes it to the needy. Last year, over \$1,340,000 was for various projects in over 45 different countries.

Other churches in Drayton Valley are helping in the project this year. Discussions on poverty are no longer enough. Let us now act.

Sincerely,

Fr. Lynch.
